AI Visibility Report

How visible is your hotel in AI-driven travel searches?

PREPARED FOR

The River's Edge Farm

Executive Summary

A critical analysis of how AI search engines and large language models perceive your digital footprint relative to the competitive landscape.

AI VISIBILITY SCORE

0 / 100

● Critical Underperformance

PROMPTS WHERE YOU WERE MENTIONED

0 / 20

0% mention rate across 20 tested prompts

HIGHEST COMPETITOR SCORE

59 / 100

Leading properties are securing strong coverage across high-intent citations.

DISCOVERY CATEGORY SCORE

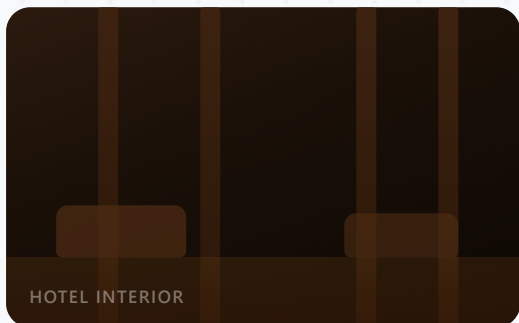

0 / 100

● Zero Mentions in Category Discovery

Summary of Findings

The River's Edge Farm Zero AI visibility. Riverside boutique with 4.6 rating and pet-friendly positioning. AI has no awareness.

● KEY RECOMMENDATION

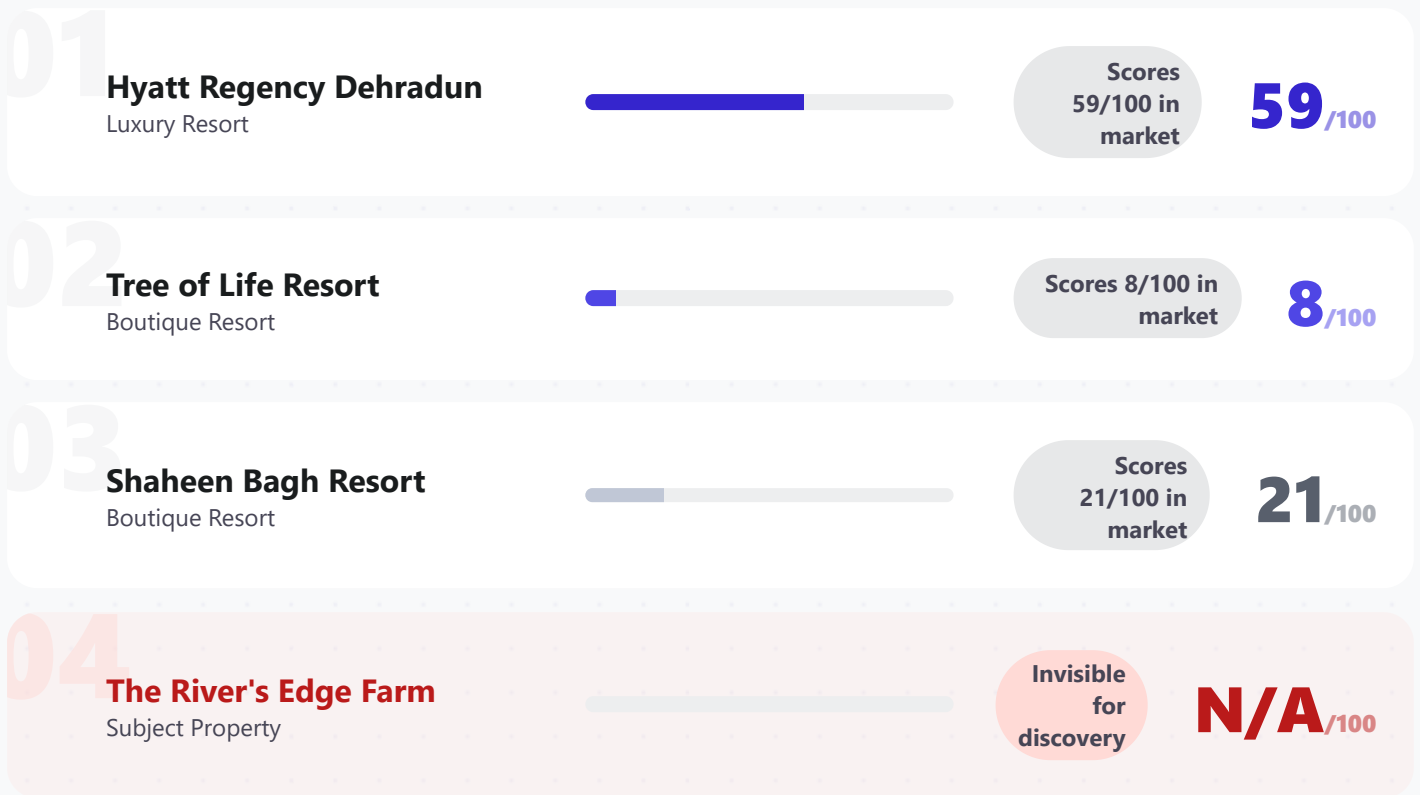

Optimize Your AI Discovery Signals

Build riverside and nature retreat content. Create pet-friendly travel pages. Add family weekend content.

Competitor Analysis

How the top properties in your market are winning AI-driven guests -- and what it's costing you.

AI VISIBILITY SCORES -- DEHRADUN

WHAT THIS VISIBILITY GAP IS WORTH

MARKET LEADER ADVANTAGE

59

The top competitor scores meaningfully higher across general-intent prompts.

That's 13 more prompts where they are the #1 recommendation.

GUEST DIFFERENTIAL

6

Properties scoring 70+ receive materially more direct booking intent clicks.

At your average nightly rate of 4000.0, that gap compounds quickly.

ANNUAL REVENUE AT STAKE

288000

Monthly loss trending at 24000.

This gap widens as AI adoption grows.

Where Your Hotel Is Losing Visibility -- And Why

See how your hotel really looks to AI

Stop missing out and start getting more bookings from new AI search tools.

01

See where your hotel shows up online

We check how often your hotel appears when people search on AI platforms.

02

Find where you are missing customers

We show where your hotel is not being recommended -- but should be.

03

What's wrong with your online presence

We identify issues in your website and content that stop you from getting bookings.

04

Exactly what to fix (step-by-step)

A clear plan you or your team can follow to improve visibility.

05

What customers are searching for

See the exact searches where your hotel should appear but doesn't.
